*This book is the product
of a desire to share,
of a belief that sharing is
something in life we all need more of.*

I'll catch the sun and never give it back again.

I'll catch the sun and keep it for my own.

And in a world where no one understands

I'll take my outstretched hand

and

offer it to anyone, who comes along and
tells me he's in need of love.

In need of hope

or maybe just a friend

perhaps in time

*I'll even share my sun
with that new anyone to whom I gave my hand.*

HIS EXCELLENCY HUMBERTO S. MEDEIROS, D.D.

Sr. High Principal

Love is the extension of God's community into the world, into us. It is the life that makes us more human fleshed into the heart of our growing sense of a positive personal identity. Revelation appears from within - the experience of ourselves as a community expression of love that is human - and divine.

To Our Parents

Friends are like the autumn leaves;

Scattered, beautiful, and forever

blowing out of sight.

But you are the vine they grow on

to be nourished

by your sunshine.

And for those rays of light you

had the power and the knowledge

to give at the right time

We dedicate our love, success and lives

to you, our parents

And because of this

we can shine forever.

Thank you.

Lifting the sand to the sun - it escapes through my fingers
and joins the wind. . .and time escapes and joins the past.
I watched as yesterday was caught in the undertow of the
outgoing tide.

Mine honor is my life;
both grow in one.
Take honor from me
and my life is done.

I will give you me, I will not hold back,
I will not hide, I will put myself at your
service, will be willing to listen and to
support, to run the risk of being hurt.
I am yours to do with as you want, but my
faith in you is so great that I know I have
nothing to fear from you.

Andrew M. Greeley

Once upon a time,
Loving set me free,
Free as any bird who ever heard
the wind blow in the trees.

After love had gone
I had merely me
and my only friend
The ever constant sea.

We've been through it all
My old friend and me
Summertime and fall have shown us all
the world there is to see.

So if I love again
If love is good to me
I'll share it with my friend
the ever-constant sea.

Your children are not your children
They are the son's and daughters of Life's longing for itself.
They come through you, but not from you, and though they ate
with you, yet they belong not to you.
You may give them your love, but not your thoughts, for they
have their own thoughts.
You may house their bodies, but not their souls, for their
souls dwell in the house of tomorrow, which you cannot
visit, not even in your dreams.
You may strive to be like them, but seek not to make them
like you, for life goes not backward not tarries with
yesterday.

Kahlil Gibran

I've been living a long time
summers come and gone
drifting under the dream clouds
past the broken sun
yes, I've been living a long time
to be back beyond. . .

Cat Stevens

Up on the edge of the bluffs. . .
Look far out over the waves
Out where the sky begins. . .
And white clouds form
Soon a gull drifts by in the wind. . .
And little sandpipers appear on the beach below. . .
. . . And you are not alone

In the midst of winter,
I finally learned
that there was in me
an invincible summer.

Camus

I have learned to seek my happiness
by limiting my desires, rather than
attempting to satisfy them.

if we only have love
then tomorrow will dawn
and the days of our years
will rise on that morn

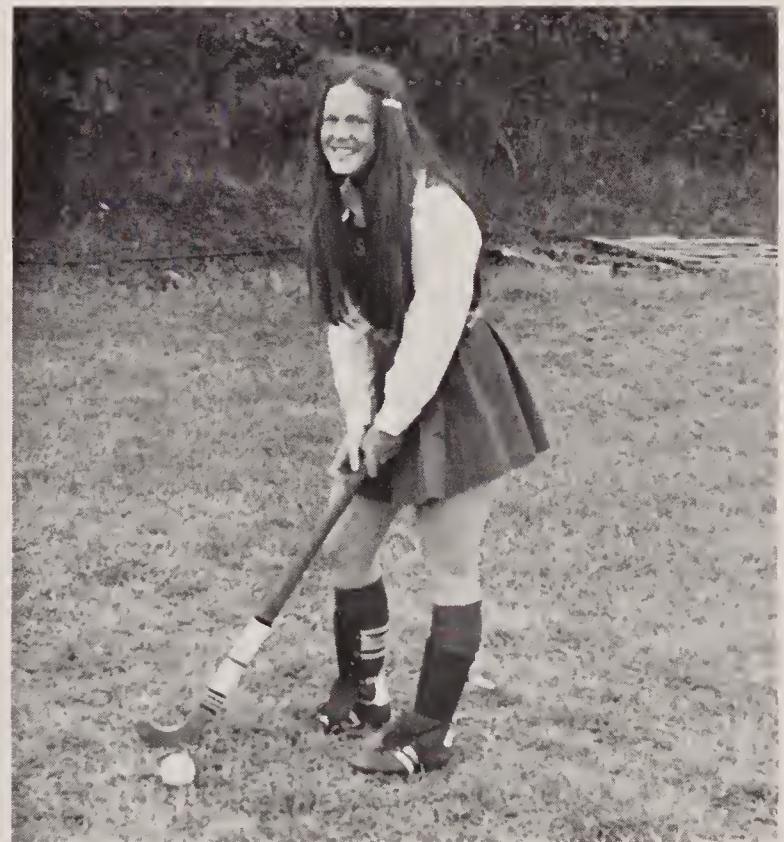

I am part of all that I have met;
Yet all experience is an arch where through
Gleams the untravelled world, whose margin fades
For ever and for ever as I move.

Monica Dickens

"The man who follows the crowd, will usually get no further than the crowd. The man who walks alone is likely to find himself in places no one has ever been before. Creativity in living is not without its attendant difficulties, for peculiarity breeds contempt. And the unfortunate thing about being ahead of your time is that when people finally realize you were right, they'll say it was obvious all along. You have two choices in life: you can dissolve into the mainstream, or you can be distinct. To be distinct, you must be different. To be different, you must strive to be what nobody else but you can be. Alan Ashley Pitt

I wanted you
that day on the beach
because you were beautiful
and because you smiled
and because I knew your world was different.

Rod McKuen

Let today embrace the past
with remembrance
and the future with longing.

Kahlil Gibran

The greatest good we can do for others
is not just to share our riches
with them, but reveal theirs
to themselves.

... I think it was, perhaps,
the echo of your smile
that made me turn so quickly,
quietly gushing tears-
Or maybe just the memory...

No man is free,
who is not master of himself.

He who gives up a friendship

for ambition burns a picture

to obtain the ashes...

It is not the perfect,
But the imperfect,
Who are in need of love.

For every star that falls to earth,
a new one glows.
For every dream that fades away,
a new one grows.
When things are not what they would
seem,
You must keep following your dream,
So while your heart is still believing
I'll say good-bye.

Rod McKuen

Oh I'm on my way I know I am
Somewhere not so far from here,
All I know is what I feel right now
I feel the power growing in me.

Cat Stevens

Life never begins until the end.

There is a day of sunny rest
For every dark and troubled night;
And grief may hide an evening guest,
But joy shall come with early light.

Bryant

Solitude is not measured by
the miles of space that intervene
between a man and his fellows.

Henry David Thoreau

I have no yesterdays
time took them away
Tomorrow may not be-
but I have today.

Pearl McGinnis

Child, Child, love while you may,
For life is short as a happy day,
Never fear the thing you feel,
Only by loving is life made real.

If winning is what matters I respect the ones who fail.

Don McLean

I wish I could lean on you.
Your smile alone would reassure me.
You forfeit my anger, collect and distribute my tears,
Oh, I wish that I could lean on you.

There are some things which cannot be learned quickly, and time, which is all we have, must be paid for heavily for the acquiring. These are the very simplest things, and because it takes a man a life to know them, the little new that each man gets from life is very costly and the only heritage he has to leave.

The world is a comedy
to those that feel
and
a tragedy
to those that think.

Shakespeare

Man with his burning soul
Has but an hour of breath
To build a ship of Truth
In which his soul may sail,
Sail on the sea of death,
For death takes toll
Of Beauty, courage, youth
Of all but truth.

John Masefield

Love is like a rainbow;
it fades away all too soon!

Negative feedback is better than none.
I would rather have man hate me than overlook me.

As long as he hates me I make a difference.

Yesterday, a child came out to wonder
caught a dragonfly inside a jar
Fearful, when the sky was full of thunder
And tearful at the falling of a star.

Joni Mitchell

And the seasons they go round and round,
And the painted ponies go up and down,
We're captive on a carousel of time.
We can't turn back, we can only look behind
from where we came,
And go round and round and round,
In the circle game.

Joni Mitchell

You live only once,

so try to do everything

at least one time.

Winning goal scored
by Genna

I built some Hockey dreams last year,
and now they're pounding at my head.

One whistle blew--
and all too soon--the last game was over.
Won or not--it doesn't matter,
Because I've played that game a thousand times in my head.

The friends I've made
The kids who played--
gone but not forgotten.
Memories of practices and pain
are foggy.
And all I can do is hope
for
one
more
fall
and one more season.
